## Area young people plan to spend summer in the SON

"I'm looking forward to our annual VBS in Cincy-Mo as well as traveling to the Italian Conference in September with the rest of the Italy committee. It will be my first time meeting all the brothers and sisters there!" - Sis. Natalie Pezzenti, Cincinnati-Morrow

"In July I will be at the beach and also in Africa with Chris (my bro) and Bro. Lyle Criscuolo on a missionary trip. It will be my second time in Malawi (third in Africa) and first time in Mozambique where you camp out with tents. I do love being outside my comfort zone and God blesses us so much on the trips it is unreal. After Malawi I will be coordinating a trip to North Dakota to visit our saints on the Ft. Berthold reservation in August. The work there is growing and last year we had a baptism and ordained a teacher. They need lots of prayer - like all of our outreaches and outposts." - Bro. Josh Gehly, Erie

"My plans for the summer are to work. I love my job and thank God for it. I'll be hanging out with my friends! I thank God for blessing me with great friends!" - Sis. Angela Nardozi, Lorain

"As a member of the Language Translation Committee, I've been working on the Audio Book of Mormon. I'm looking forward to this summer and all the events we'll be able to participate in as the membership of the Church! If you're planning on making it down to SC for this year's GMBA Campout, I'll see you there! I hope to be on the lookout for all of the ways God sees me through each day. This summer, I plan to slow down and count the ways God shows His love." - Sis. Elizabeth Kall, Kinsman

"I will be nannying for the very first time this summer. Plus babysitting for 2 of my little kiddos from the YMCA camps where I used to work. Lots and lots of kiddo time, which I always love!! I will also be attending a week long ceramics course in Gatlinburg with one my friends from school. I'll be getting school credit and I'm super excited to get insight about ceramics from a different source other than UK. Also, YIA will also be here in some form all summer long and this is so exciting for us here in LaGrange!! I can't wait for all of God's workers to get here and for us to get going!! I expect to have a wonderful and blessed summer!!" - Sis. Aubrey Obradovich, Oldham County

"This summer I am directing GMBA campout, helping with the Erie clothing drive, playing soccer, teaching Sunday School, working part-time, taking summer class, coaching soccer camp, and spending time with family, friends, and loved ones (in no particular order!). I thank God for the strength and opportunity to do all this! I know each step of the way will be blessed." -Bro. Lucas Martorana, Liberty

"My plans for summer are getting my first x-ray job in a hospital. Taking off from classes forever! And working on my spiritual life by getting closer to God, since He is amazing. Since I'm done with college I can study scripture more and spend more time with the brothers and sisters. I love the young people and there are many in the Kinsman branch. I want to be someone they can look up to." - Sis. Brianne Miller, Kinsman

"My summer plans include a family trip to Boston, GMBA camp and job searching. Since I am graduating in June and looking for work, I have been praying a lot that God would provide something for me that will continue to allow me to go to church on Wednesday and Sundays as well as something I will enjoy doing. This has helped me to grow closer to God because I have to fully rely on Him and put my trust in Him that He will provide, which I know He will. I also hope to visit KY as they're having their outreach program this summer." - Sis. Mallory Batson, Cincinnati-Morrow

"My plans for the summer are GMBA camp and Lake Worth VBS." - Bro. Chuck Maddox, Jr., Cincinnati-Morrow
