

A testimony of thankfulness, grace, and love

By Brother Duane Werley

In my life, I have given many testimonies. There is one that I keep coming back to again and again, and that is how thankful I am that the Lord chose to carry me and protect me throughout my whole life, even before I knew of Him. He has always and continually blesses me day by day. I see his work all around me, not just in the beauty that surrounds us but in the simple things that we often take for granted.

I am also so thankful for the family he has placed me in and those that have come into my life, all my brothers & sisters in Christ who are such an uplift and inspiration to me. The Lord has blessed me with so many things & gifts too numerous to count that every day I can't help but wake up and say, "Thank you for the love, grace & mercy that you have shown all of us." If I were to sum up this testimony it would be a lyric from one of my favorite songs: "This is my heart's cry to be so close to Him that all my life becomes a testimony of my Savior's grace and love."

Brother Duane is well known for his photographic abilities and we are blessed that Brother Duane uses his talents to document Midwest Area MBA activities.
